Educational program	educational-professional program "Pharmacy" for second (master's) level of higher education, specialty 226 "Pharmacy, Industrial Pharmacy"

Approved: at the meeting of the department of forensic medicine and medical law on August 27, 2024, protocol No. 1.

Considered and approved: at the meeting of the cyclic methodical commission for natural sciences dated August 28, 2024, protocol No. 1.

Topic 12. Regulatory system of medicinal products circulation. Circulation of nomenclature-legal and classification-legal groups of medicinal products in Ukraine. Administrative responsibility in the field of pharmaceutical activity.

The methodical development was made by **A.B. Berzina**, associate professor of the Department of Forensic Medicine and Medical Law of Bogomolets National Medical University, candidate of legal sciences, associate professor.

Competences: ability to use knowledge of regulatory and legislative acts of Ukraine and recommendations of proper pharmaceutical practices in professional activities.

Purpose: the need to highlight the topic is due to the importance of orienting students in the issue of the regulatory system of the circulation of medicinal products, as well as the circulation of nomenclature-legal and qualification-legal groups of medicinal products in Ukraine. The profession of a doctor is honorable and at the same time very responsible. Therefore, in order to avoid problematic situations with regard to individual categories of medicinal products, it is important for the student to be able to distinguish between nomenclature-legal and qualifying-legal groups of medicinal products.

Equipment: personal computer
