Approved by the Ministry of Health of Ukraine as a textbook for students of higher medical educational institutions of IV level of accreditation (Protocol № 3 of 16.10.2012 of the meeting of the Committee on Medicine of the Scientific and Methodological Council for Education of the Ministry of Education and Science, Youth and Sports of Ukraine)

Authors:

Burianov O. A., Golka G. G., Klimovitsky V. G., Loskutov O. Y., **Ivchenko V. K.**, **Sklyarenko Y. T.**, Berezka M. I., Bitchuk D. D., Bodnya O. I., Burlaka V. V., Vasyuk V. L., Golovakha M. L., Garyachiy E. V., Grek V. P., Zadnichenko M. O., Ivchenko A. V., Ivchenko D. V., Istomin A. G., Kvasha V. P., Litovchenko V. A., Lykhodiy V. V., Lobanov G. V., Loskutov O. A., Oliinyk A. O., Oliinyk O. E., Omelchenko T. M., Samusenko I. V., Sinegubov D. A., Sobolevsky Yu. L., Sulima V. S., Sukhin Yu. V., Trutyak I. R., Fadeev O. G., Chernysh V. Yu., Chorny V. S., Shvets O. I., Shimon V. M.

Reviewers:

Gaiko G. V. – Director of the Institute of Traumatology and Orthopedics of the National Academy of Medical Sciences of Ukraine, Academician of the National Academy of Medical Sciences of Ukraine, Laureate of the State Prize of Ukraine, Honored Worker of Science and Technology of Ukraine, Doctor of Medical Science, Professor;

Korzh M. A. – Director of the SE “Sytenko Institute of Spine and Joint Pathology, NAMS Ukraine”, Laureate of the State Prize of Ukraine, Honored Worker of Science and Technology of Ukraine, Doctor of Medical Science, Professor.

The publication was prepared in accordance with the Order of the Ministry of Health of Ukraine of 22.06.2010 № 502 as a unified national textbook

T65 **Traumatology and orthopedics** : textbook for students of higher medical educational institutions : transl. from. ukr. lang. / edited by Golka G. G., Burianov O. A., Klimovitskiy V. G. – Vinnytsia : Nova Knyha, 2018, – 400 p. : il.

ISBN 978-966-382-671-4

The national textbook in accordance with the curriculum approved by the Ministry of Health of Ukraine and the Ministry of Education and Science of Ukraine covers modern views on etiology, development mechanisms, principles of diagnostics and treatment of injuries and diseases of the apparatus of movement support. There is presented a modern view on the pathogenesis of traumatic disease, bone tissue regeneration, common complications, methods for prevention and treatment. Taking into account changes in the structure of injuries, special attention is paid to the issues of combat damages, the organization of stage care for polytrauma, spine, pelvis, limb injuries, and restorative treatment of patients with musculoskeletal injuries. Details include widespread congenital deformities, degenerative-dystrophic, inflammatory and tumor diseases of spine and joints.

The publication is intended for students of higher medical educational institutions, interns, clinical residents, doctors in sports medicine, traumatologists-orthopedists and surgeons.

CONTENT

| | | | |
|---|----|--|-----|
| Introduction | 5 | <i>Clinical signs of fractures</i> | 88 |
| List of abbreviations | 6 | <i>Methods of treatment of fractures</i> | 102 |
| The history of development of traumatology and orthopaedics | 7 | <i>Open fractures</i> | 109 |
| The establishment of traumatology and orthopaedics as part of general surgery | 8 | <i>Gunshot fractures of long bones</i> | 110 |
| Traumatology and orthopaedics as independent surgical discipline..... | 10 | <i>Compartment syndrome of the extremities</i> ... | 126 |
| 1. The introduction to the specialty. The features of clinical examination of traumatic and orthopaedic patients. Ligaments, tendons and muscles injuries. Traumatic dislocations | 17 | <i>Traumatic osteomyelitis</i> | 129 |
| 1.1. Methods of clinical examination in traumatology and orthopaedics | 17 | Tasks and tests | 133 |
| <i>The procedure of examination of patients with musculoskeletal system traumas</i> | 18 | 3. Amputations of the extremities. Rehabilitation and prosthetics of disabled person with defects of the extremities. Treatment of traumatological and orthopedic patients in outpatient conditions | 137 |
| <i>Procedure of examination in orthopaedics diseases and musculoskeletal trauma consequences</i> | 24 | <i>Indications for amputation</i> | 137 |
| <i>Features of examination of children with traumas and orthopaedic diseases</i> | 42 | <i>Methods and techniques of amputations</i> | 138 |
| <i>Additional methods of investigation in traumatology and orthopaedics</i> | 45 | <i>Rehabilitation and prosthetics of the disabled patients with defects of thier extremities</i> | 139 |
| <i>Diagnosis establishment</i> | 50 | <i>Prosthetics of upper extremities</i> | 143 |
| 1.2. Injury of ligaments, tendons and muscles | 51 | <i>Lower extremities prosthetics</i> | 145 |
| 1.3. Dislocations | 57 | <i>Treatment of traumatological and orthopedic patients in outpatient conditions</i> | 147 |
| Tasks and tests | 69 | Tasks and tests | 149 |
| 2. Traumatic disease. Multitrauma. Modern principles of medical aid supply during fractures | 73 | 4. Injury of bones and joints of the upper extremity | 152 |
| 2.1. Multitrauma..... | 73 | <i>Fractures of the scapula</i> | 152 |
| <i>Clinical presentation</i> | 74 | <i>Fracture of the clavicle</i> | 154 |
| <i>Estimation of the trauma severity</i> | 78 | <i>Dislocation of clavicle</i> | 156 |
| <i>Treatment</i> | 80 | <i>Shoulder dislocations</i> | 158 |
| 2.2. Modern principles of aid in fractures | 87 | <i>Fractures of the humerus</i> | 161 |
| <i>Classification of the fractures</i> | 87 | <i>Dislocations of the forearm</i> | 169 |
| | | <i>Fracture-dislocations of the forearm bones</i> ... | 173 |
| | | <i>Fracture of radius in a typical site</i> | 174 |
| | | Tasks | 180 |
| | | 5. Injuries of the spine and pelvis | 184 |
| | | 5.1. Injuries of the spine..... | 184 |
| | | <i>Causes and mechanisms of spine injuries</i> | 184 |
| | | <i>Classification of spine injuries</i> | 185 |

| | |
|--|-----|
| Injuries of the cervical part of the spine | 188 |
| Injuries of the thoracic and lumbar parts of the spine..... | 190 |
| Diagnostics of spine injuries..... | 190 |
| Treatment of spine injuries..... | 193 |
| 5.2. Injuries of the pelvis..... | 198 |
| Classification and mechanogenesis of pelvic injuries..... | 198 |
| Diagnostics of pelvic injuries..... | 200 |
| Treatment of the pelvic injuries..... | 202 |
| Tasks and tests | 207 |
| | |
| 6. Injuries of bones and joints of the lower extremity | 211 |
| Fractures of the proximal part of the femoral bone..... | 211 |
| Hip luxation | 219 |
| Injuries of knee joint menisci and ligaments... | 223 |
| Rupture of the knee joint ligaments..... | 228 |
| Shin luxation..... | 232 |
| Shin bones fractures..... | 234 |
| Tasks and tests | 254 |
| | |
| 7. Degenerative-dystrophic diseases of joints and spine | 257 |
| 7.1. Degenerative-dystrophic diseases of joints...257 | |
| Osteoarthritis..... | 257 |
| Avascular necrosis..... | 280 |
| Cystic restructuring of the articular bones.... | 286 |
| 7.2. Degenerative-dystrophic diseases of the spine | 288 |
| Osteochondrosis..... | 288 |
| Deforming spondylosis and spondyloarthritis..... | 297 |
| Spondylolisthesis | 299 |
| Spinal stenosis..... | 302 |
| Tasks and tests | 304 |
| | |
| 8. Congenital deformations of the spine, bones and joints. Scoliosis | 308 |
| 8.1. Congenital defects and deformations of the musculoskeletal system..... | 308 |
| Congenital myogenic torticollis | 308 |
| Congenital myogenic clubfoot..... | 312 |
| Developmental dysplasia of the hip joint | 317 |
| Congenital hip dislocation..... | 319 |
| 8.2. Posture and its impairments | 326 |
| 8.3. Scoliotic disease (scoliosis)..... | 328 |
| 8.4. Kyphotic deformation of the spine..... | 334 |
| Tasks and tests | 336 |
| | |
| 9. Inflammatory, tumorous and tumor-like diseases of the musculoskeletal system | 340 |
| 9.1. Tumorous and tumor-like diseases of the musculoskeletal system | 340 |
| Benign bone tumors..... | 343 |
| Malignant bone tumors..... | 349 |
| Tumor-like bone diseases | 352 |
| 9.2. Inflammatory diseases of the musculoskeletal system | 355 |
| Tasks and tests | 381 |
